

TAKE
URBAN LIVING
TO THE NEXT LEVEL.

600X600MM

FULL BODY SIZES

600x600mm

TAKE
URBAN LIVING
TO THE NEXT LEVEL.

A collection endowed with character, capable of uniting history and avant-garde in the same space with all the charm of a retro design that combines bright or pastel shades with the latest technologies.

STRONG FULL BODY

The Full body collection's product range combines classic materials with the most cutting-edge and creative innovation. A unique combination of raw materials that breathe new life into one of the most traditional patterns.

LET YOUR
SPACE REFLECT
 TRANQUILLITY

Available Thickness

9MM

• Weather resistant.

• High tensile strength.

• Tress-resistant.

• Rust and fire-resistant.

• Easy to install even without adhesives or filler.

• Easy to clean due to the lack of adhesives and filler.

• Ideal for paving outdoor installations, including raised paving.

• Highly resistant to changes in temperature.

• Good drainage, facilitates the flow of water and rainfall, eliminating harmful stagnation.

• Easily inspected and functional, allows installation and maintenance of cabling and pipework
